

**MATHEMATICS AND LITERACY**

Mathematics and Literacy develop essential knowledge and understanding to ensure tamariki can fully access, participate, and contribute in all aspects of school life and beyond

We understand that tamariki learn and grow at different rates which means that some students may reach these learning expectations faster than others.

**SCHOOL FEATURES**

- Te Tiriti o Waitangi**  
Te Reo me tikanga Māori used and celebrated in and around the school and wider community
- PB4L-SW**  
Positive behaviours recognised, encouraged, and acknowledged in the classrooms, and the playground.
- Restorative**  
Restorative, and calming practices used to resolve conflicts in classrooms, playgrounds, and in hui.
- Kapa Haka**  
Engage and participate in Kapa Haka as a part of developing better understanding of matauranga māori
- Learning Support**  
Enabling resources and support networks to provide the best teaching and learning experiences. Have highly capable, reliable, and consistent support staff
- Hauora**  
Accessing programmes, resources, and initiatives that support the increased well-being of students and staff
- Zones of Regulation**  
Providing strategies to support emotional regulation in the school space and allowing for a shared understanding of descriptive vocabulary
- Kind Hearts**  
Promoting kind hearts initiatives that support growing a kind and happy learning environment
