

WOODVILLE SCHOOL
TE KURA O WOODVILLE

Woodville School

Friday 8th August Week 4 Term 3

87 Vogel Street, Woodville, 4920 – office@woodville.school.nz - 06 3765276

Welcome

Kia orana e te whānau, and welcome to the end of another wintery week.

100% Attendance

We celebrate with our students who achieved 100% attendance in Term 2 next week. We'll be travelling to Pahiatua to watch 'How to Train a Dragon', then back to school for a special lunch, followed by organised device time in the afternoon. A big mihi to Tararua College for the use of their school vans to help with transportation.

Tararua 7s

Last week saw us competing at the annual Tararua 7s in Pahiatua. Our students and teams represented us extremely both on and off the sports field. Well done to our football teams and coaches on both placing 2nd and well done to our netball teams and coaches for pursuing excellence and competing with pride. Ka mau te wehi!

Term 3 Focus

This term our students are exploring the arts curriculum (alongside Reading, Writing, and Maths) and have turned their attention to movement and dance. We are excited to share our learning with you throughout the term and at each Celebration hui. Please feel free to ask your tamariki what they're dancing or singing to in class.

Meitaki maata,
Pā Wes

School Board Elections

We thank everyone who has put their names forward as parent representatives on our School Board. All whānau should be receiving another email regarding the voting process and candidates will be duly elected following the votes. Once again, thank you for choosing to invest your time and energy into our cool little school.

AIMs Games Fundraisers

A big mihi to our whānau who came through and supported our AIMs Games fundraiser outside the Bowling club on Sunday. Combined with your donated baking, and sales from sausages and lollies, our team managed to raise approximately \$1300 from their sales.

Learning Conferences

Our teachers have been busy following up with whānau and learning conferences. We are proud that approximately 95% of our whānau have had a learning conversation with their child's teacher. Well done to Whaea Rāngilique and Room 4 who were the first class to reach 100%!

School Choir

Well done to all our students who represented us at the Choir performance last weekend as a part of the 150 year Woodville celebration. Thank you to Whaea Tanya, and Miss Am, who helped organise our tamariki and Dr Matthew Leese with our waiata.

Upcoming/Important Reminders

- Monday 11th August - 100% Attendance Day
